

## Cruising in Company

### Cruise to Cargreen Saturday 22<sup>nd</sup> September 2018

Despite the heavy rain and strong winds, the Cargreen Regatta went ahead and the CYC supplied barbecue, drinks and live music as planned.

Due to atrocious weather conditions, no RWYC boats took part, however eight members braved the weather by car!

RWYC members were given a warm welcome by all and we look forward to a joint event with them again next season.
