Add SI 8.3 Changing the course - While boats are racing the race committee may change the next leg of the course, as per RRS 33, the race committee will lay a new change mark 1, or move the leeward gate.

When a new mark is laid the original marks will be removed as soon as practicable.

If mark 1 is changed, mark 1a is no longer a mark of the course.

Add SI 8.4 Shortening Course - When Flag "F" is displayed with repeated sound signals at the windward mark (1 or 1a), boats shall proceed directly to the finish.

Add SI 8.5 Shortening Course –

The course may be shortened by the RC at the Finishing Line. In this event the committee vessel shall display flag S with two sound signals prior to the lead boat approaching marks 2p/2s, in addition, a Race Committee boat may be positioned adjacent to mark 2 displaying K flag all boats shall then complete the lap they are sailing and after passing mark 2p / 2s proceed to the Finishing Line where they will be deemed to have finished.

This applies to ALL boats regardless of whether they are on the same lap as the leading boat. This changes and is additional to RRS 32.2.

Amend SI 9.1 Start Line ...outer distance mark, an orange pillar buoy to:
orange dan buoy with an orange flag
